Consent to Receive Electronic Documents

I request that Mutual of America deliver to me through its Internet Web site, for each product that I now (or in the future) own, or under which I participate through my employer, the following documents: prospectuses (and/or brochures, depending on the Mutual of America product) and supplements to prospectuses and brochures; semi-annual and annual reports, which contain financial and other information; quarterly account statements; confirmation statements for account transactions; proxy statements and related voting materials; privacy notices, including initial, annual and opt-in or opt-out notices; and any other documents required to be delivered to me by Mutual of America under federal or state laws. I acknowledge that I will continue to receive paper copies of certain of these documents until they become available online. An added benefit of my consenting to receive the above referenced material electronically is that the monthly participant charge (\$2.00 per month or 1/12 of 1% if the account balance is less than \$2,400) will be waived for each month. I must consent to receive eDocuments by 6:00 p.m. Eastern Time of the last business day of the month.

I understand that Mutual of America will send an e-mail notice to the e-mail address I have provided, each time one of these documents is available to me online. I also understand that I will need to log in to Mutual of America's Web site to view documents online. I agree that Mutual of America in the future may change its method of providing notice of available documents, so long as Mutual of America gives me advance notice of each planned change, and may from time to time change the location on its Web site of certain of the available documents. My consent to receive various documents through Mutual of America's Web site will continue to be effective until:

- 1) I revoke my consent online or by calling Mutual of America at 1-800-468-3785 and instructing a customer service representative to revoke my consent;
- 2) my consent is automatically revoked and the monthly participant charge will be applicable when e-mail sent to the e-mail address I have given is returned to Mutual of America as undeliverable;
- 3) Mutual of America for any reason discontinues providing documents online; or
- 4) my consent is automatically revoked when Mutual of America makes a material change in the hardware or software required to view documents online that interferes with my ability to view those documents.

I acknowledge that the online service provider I utilize for access to the Internet may charge me a fee for the time required to view Mutual of America's documents online or for other services.
